(3) Relative to the licenses issued under subsection (1)(a), the amount of commercial investment in the [redevelopment](#) project area within the city, village, or township shall constitute not less than 25% of the total investment in real and personal property in that [redevelopment](#) project area as evidenced by an affidavit of the assessor of the city, village, or township. This subsection does not prevent the city, village, or township from realigning the [redevelopment](#) project area in the presentment of verification provided for under subsection (2)(c).

(4) In relation to a license issued under subsection (1)(a), an applicant shall be located in a city, village, or township that meets at least 1 of the investment requirements of subsection (1)(a) during the 3 years preceding the submission of its application. The total investment in real and personal property in the [redevelopment](#) project area within the city, village, or township over the appropriate time period described in this subsection shall be at least 1 of the following:

(a) Not less than \$50,000,000.00 in cities, villages, or townships having a population of 50,000 or more.

(b) Not less than an amount reflecting \$1,000,000.00 per 1,000 people in cities, villages, or townships having a population of less than 50,000.

(5) The commission may issue a license under subsection (1)(a) for each monetary threshold described in subsection (4)(a) and (b), and, after reaching the initial threshold, 1 additional license for each major fraction thereof above that original threshold.

(6) The following apply to a license issued under subsection (1)(b):

(a) The amount expended for the rehabilitation or restoration of the building that housed the licensed premises shall be not less than \$75,000.00 over a period of the preceding 5 years or a commitment for a capital investment of at least that amount in the building that houses the licensed premises, that must be expended before the issuance of the license.

(b) The total amount of public and private investment in real and personal property within the development district or area shall not be less than

\$200,000.00 over a period of the preceding 5 years as verified to the commission by means of an affidavit from the assessor, as certified by the clerk of the city, village, or township.

(c) The licensed business is engaged in dining, entertainment, or recreation, is open to the general public, and has a seating capacity of not less than 25 persons.

(7) The commission may issue 1 license for each monetary threshold described in subsection (6)(b), or for each major fraction thereof. The initial enhanced license fee for a license issued under this section is \$20,000.00.

(8) The commission shall not transfer a license issued under this section to another location. If the licensee goes out of business, the licensee shall surrender the license to the commission. The governing body of the city, village, or township may approve another applicant within a [redevelopment](#) project area or development district or area to replace a licensee who has surrendered the license issued under this section provided the new applicant's business meets the requirements of this section but without regard to subsections (2)(c), (3), and (4) or subsection (6)(b).

(9) The individual signing the application for the license shall state and demonstrate that the applicant attempted to secure an appropriate on-premises escrowed license or quota license issued under section 531 and that, to the best of his or her knowledge, an on-premises escrowed license or quota license issued under section 531 is not readily available within the county in which the applicant proposes to operate.

(10) As used in this section:

(b) "Readily available" means available under a standard of economic feasibility, as applied to the specific circumstances of the applicant, that includes, but is not limited to, the following:

(i) The fair market value of the license based on where the applicant will be located, if determinable.

(ii) The size and scope of the proposed operation.
